Dear Mr Johnson,

Business Representative

Regretfully, I am writing to decline your company's generous employment offer. Upon reflection and consideration of my personal and career objectives, I have decided to pursue a position more directly related to my discipline, mechanical engineering.

I do sincerely appreciate the time you spent with me throughout the interview process. I learnt a lot from our discussion of the prospect of the computer industry in Hong Kong.

Thank you for your consideration of my candidacy. I am confident you will identify an appropriate candidate. Please offer my best regards to the management team at New World Computers.

Yours sincerely,

Woo Sik Ming, John
